MESSAGE

It is with great pleasure that I extend my warmest congratulations to the Council for Technical Development & Continuing Academic Educational and Scientific Studies (CTDS) on the remarkable occasion of 10th Anniversary.

Over the past decade, CTDS has made an indelible mark in India's skill development landscape, transforming the futures of countless young individuals through structured, industry-relevant training programs. The steadfast commitment—especially in key sectors such as hospitality, aviation, logistics, healthcare, and finance—has not only empowered Kerala's youth but has also contributed meaningfully to the broader goal of inclusive growth.

By fostering sustainable human development and aligning initiatives with employment-focused education, CTDS has become a symbol of opportunity equipping aspiring professionals with the skills and confidence needed for a dignified livelihood. As CTDS celebrate this important milestone, I applaud the team's enduring dedication to innovation and excellence in the field of skill education. The upcoming souvenir publication, chronicling CTDS journey and achievements, will serve as a valuable source of inspiration for many.

On this special occasion, I extend my sincere appreciation for CTDS's impactful work and wish you continued success in the years ahead.

Yours sincerely,

V.D. SATHEESAN
